

No Hard Waste or Personal Items on Common Property

Do not leave any hard waste or personal items in any **Common Areas (including Bin room)** in the building.

Please email bm@108reflections.com.au with details of your hard waste (description and dimensions) and allow at least 6 weeks for us to organise the collection with the city council.

Please note there is a size limit for every collection, so **booking** is essential.

What they will collect

Types of hard waste that they collect includes:

- household white goods and electrical appliances such as fridges, dishwashers, washing machines (doors must be removed) and televisions
- hot-water services
- broken furniture
- mattresses
- sofas
- BBQs
- scrap metal (no longer than 1.5 m)
- timber (no longer than 1.5 m)
- paint tins (dry paint and lids off)
- bikes.

What they WON'T collect

In a hard waste collection they **DO NOT** collect:

- recyclables including plastic containers, aluminium cans, paper and cardboard
- domestic waste including garbage bags
- renovation waste material including carpet, sinks, toilets and plasterboard
- building waste material waste including brick, stone, concrete, soil, timber, roofing iron, steel and metal
- hazardous waste such as asbestos
- liquid waste including chemicals, paint, and motor oil
- garden waste
- car bodies, parts, tyres and batteries
- gas cylinders

- polystyrene and styrofoam.

Any unacceptable material will not be collected and you must take it back inside your property.
